

Volumes 1-9 on sale now!

Hi, again! Just so you know, the official Volume 9 translation is out now, and I'm sure that Volume 10 is soon on its way. Please support the authors by buying their works. In fact, the official translators probably put out a much better end product than I ever could. The kindle versions are all less than 7 USD on Amazon (Japan or USA). That's really not expensive at all, and you'll feel better about yourself.

Oh!
You're
here

It's been a
while, huh?

Coming!

YukiBrigade

Draw/Illustration/Type: Calozawa

Ok, I'm
coming!

Hey! Yuki!
Asakura's
here!

Wait? Come
in, come in!

Once she starts crying, it's hard to get her to stop.

Bringing this child along would have been a lot of trouble, so I gave up on it.

Sorry I wasn't able to go and meet you.

I can finally tell you, huh?

But it had been a long time...

**Have a
child now!**

I...

In this day
and age, if
you have a
phone and
PC...

Besides,
haven't you
been keeping
up with her?

You can even
meet Face to
face.

CLANK

A A A

CLANK

Even with all that
time, there's no way
she'd surprise you
like that.

I'll let you
hold her!

It'll be all right,
grandma...

Really? My
heart still isn't
prepared for
grandchildren...

G-
GRANDMA!?

Lately, I've
been showing
up to seminars
at Tsunyu-
san's place

It's fun
There's so
much to do

So? How's
campus life
here?

Oh, right. It's been
a while since you've
met with Mikuru-
chan, right?

I'll ask them for
you. We can
probably make
things work with
their schedule

Aah. I'd also like
to meet up with
them while I'm
here

You're in for
a surprise.

H-her
bust
size?

Well, of
course... But
that's not what
I meant...

She's so
grown up now.

He finally
confessed
to me.

He's even
thought about
me.

As for a
girlfriend...

Details,
please?

Oook?

I'm
home!

Welcome
home!

Closing Remarks

Dear readers,

Thank you all so much for staying with us all this time. I'm really happy with how this series ended. The ending has secured this manga a special place in my mind as one of my favorites. It was a great privilege to have worked on this. Though I suppose in the grand scheme of things, it was really not that important, it was still a lot of fun for me to work on.

Special thanks to the people who worked on this before I jumped in, the original YudaBrigade team, and to Proctors for helping me clean some of the chapters. Without you people, it would probably have taken me much longer to get here.

I'll probably leave my thoughts on the series eventually with a blog post. Once again, you can leave comments on our blog at <http://www.yudafan.net>. Thank you. See you around!

Very Respectfully,

Calcutuswhiz (19Feb17)
